Etiquette Emily Post

Unlike the watered-down, politically-correct, unconvincing, and thoroughly wrong ideas and advice in contemporary etiquette books, this edition of Etiquette actually written and revised by Ms Post herself says it how it is. The advice is classic, intelligent, and timeless. Emily Post's Etiquette originated in the early 1920s, after the Great War, in an age of great change; her thesis was that good manners, good taste, common sense, politeness and respect were timeless and unchanging no matter what the age. Conventions may have changed radically since then, good traditions may have been lost, but an intelligent person will do no wrong by consulting this book: greetings, public presence, driving and walking, acting in the community, parties and dances, courting and marriage, funerals and weddings and christenings, all formalities of correspondence, house rules in both country and city, business, games and sports, table manners, clothing, politics, good behavior, school, neighborhood customs, and so on -- it's all there!

From reader reviews:

Nathan Ware:

Nowadays reading books become more and more than want or need but also work as a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book which improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want get more knowledge just go with schooling books but if you want experience happy read one using theme for entertaining such as comic or novel. Often the Etiquette is kind of publication which is giving the reader capricious experience.

Julia Hale:

Reading a e-book can be one of a lot of activity that everyone in the world adores. Do you like reading book therefore. There are a lot of reasons why people enjoyed. First reading a guide will give you a lot of new data. When you read a publication you will get new information simply because book is one of several ways to share the information as well as their idea. Second, studying a book will make you actually more imaginative. When you reading through a book especially fictional works book the author will bring that you imagine the story how the figures do it anything. Third, you may share your knowledge to others. When you read this Etiquette, you may tells your family, friends and soon about yours guide. Your knowledge can inspire the others, make them reading a reserve.

Shirley Morales:

This Etiquette is great reserve for you because the content which is full of information for you who have always deal with world and still have to make decision every minute. This kind of book reveal it facts accurately using great coordinate word or we can point out no rambling sentences inside. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but difficult core information with attractive delivering sentences. Having Etiquette in your hand like keeping the world in your arm, facts in it is not ridiculous 1. We can say that no reserve that offer you world with ten or fifteen tiny right but this e-book already do that. So , it is good reading book. Hi Mr. and Mrs. hectic do you still doubt in which?

Robert Wilkes:

Reading a reserve make you to get more knowledge from this. You can take knowledge and information from the book. Book is published or printed or outlined from each source which filled update of news. In this particular modern era like now, many ways to get information are available for anyone. From media social similar to newspaper, magazines, science publication, encyclopedia, reference book, book and comic. You can add your understanding by that book. Do you want to spend your spare time to open your book? Or just looking for the Etiquette when you essential it?
