Colleen has been channeling communications from Angels for several years and has learned much about this life and the hereafter, especially from her own Guardian Angel, Zeduo ("Zay-dwah"), a highly evolved, loving spiritual teacher. Channeling is a unique God-given gift meant for the spiritual enlightenment and consolation of humanity.

Our journey on this planet is often painful and confusing and that pain and confusion are often caused by our not knowing the simple Truth of What Is. In channeling **Listen To Your Heart** through Colleen, Zeduo wishes to share with the world, in a short, easy-to-read handbook, practical wisdom about who we are and how we are meant to be in this world. **Listen To Your Heart** will help you reduce the suffering and confusion in your life and ensure that in the end you reach your goal, which is to return Home to God, having successfully completed the mission that you came here to do. **Listen To Your Heart** speaks to the simple heart of the matter.

*"Keep your life simple, love yourself, forgive yourself... Be kind and loving to all living things... And when your life ends, you need to go Home. When you pass and see the portal of light and people you love waiting for you, forgive yourself and go immediately into their open arms. This is what it is all about. God loves you and you belong Home with God." (Zeduo)*

We hope that Zeduo's words will resonate with your Spirit, and that your own Guardian Angel guides you on your Path to finish your Journey so that you can fulfill your Mission here on earth.
