Membantu Anak Punya Ingatan Super (Indonesian Edition) Femi Olivia

Synopsis: "It's been explained for one hour, how come you still can't remember, Dek" "Your report score is very bad. Mom's is ashamed with the teacher" "Your child is in danger of not advancing the class, the score is this bad" In reality bad score doesn't mean dumb child! The solution is easy! By improving your children's ability in remembering rote subjects, your children will be successful in school and in the future! Rote subjects, especially Social Studies, Science and language, are often feared by children in primary schools. They think rote subjects are difficult and cause headache. Even though your children are categorised as genius, but if they have low memory, how can they be the best in class? For you who care about your children's achievement in school, there is a strategy which can you easily do. No matter if your children's IQ is high or low, this problem can be solved by increasing children's memory. If your children's memory is good, (even better than their friends), their confidence will increase. Good memory allows children to have enough rest, so that they can concentrate more and be healthier. As parents, you have to optimally try to help the children to have good memory, especially in facing tests and examinations. Teach your children to remember and understand the lessons easily early on. Your love and affection will be the light to your children's next development. Remember, there are many gains if your children are good at remembering! This book is the solution. (<http://www.gramediainternational.com/book/detail/9789792715194>)

From reader reviews:

Lisa Martin:

This book untitled Membantu Anak Punya Ingatan Super (Indonesian Edition) to be one of several books which best seller in this year, that is because when you read this e-book you can get a lot of benefit into it. You will easily to buy this specific book in the book store or you can order it through online. The publisher with this book sells the e-book too. It makes you quickly to read this book, because you can read this book in your Cell phone. So there is no reason to you to past this e-book from your list.

Evelyn Rodrigue:

Playing with family in a very park, coming to see the sea world or hanging out with close friends is thing that usually you may have done when you have spare time, subsequently why you don't try factor that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Membantu Anak Punya Ingatan Super (Indonesian Edition), you may enjoy both. It is good combination right, you still wish to miss it? What kind of hang type is it? Oh occur its mind hangout folks. What? Still don't buy it, oh come on its called reading friends.

Charles Montiel:

Your reading 6th sense will not betray anyone, why because this Membantu Anak Punya Ingatan Super (Indonesian Edition) publication written by well-known writer who knows well how to make book that could be understand by anyone who else read the book. Written inside good manner for you, leaking every ideas and writing skill only for eliminate your own hunger then you still uncertainty Membantu Anak Punya Ingatan Super (Indonesian Edition) as good book not just by the cover but also through the content. This is one e-book that can break don't assess book by its include, so do you still needing yet another sixth sense to pick this kind of!? Oh come on your looking at sixth sense already told you so why you have to listening to a different sixth sense.

John Montes:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Membantu Anak Punya Ingatan Super (Indonesian Edition) can make you experience more interested to read.
