Provocative Syntax (Linguistic Inquiry Monographs) Phil Branigan

Chomsky showed that no description of natural language syntax would be adequate without some notion of movement operations in a syntactic derivation. It now seems likely that such movement transformations are formally simple operations, in which a single phrase is displaced from its original position within a phrase marker, but after more than fifty years of generative theorizing, the mechanics of syntactic movement are still murky and controversial. In *Provocative Syntax*, Phil Branigan examines the forces that drive syntactic movement and offers a new synthetic model of the basic movement operation by reassembling in a novel way isolated ideas that have been suggested elsewhere in the literature. The unifying concept is the operation of provocation, which occurs in the course of feature valuation when certain probes seek a value for their unvalued features by identifying a goal. Provocation forces the generation of a copy of the goal; the copy originates outside the original phrase marker and must then be introduced into it. In this approach, movement is not forced by the need for extra positions; extra positions are generated because movement is taking place. After presenting the central proposal and showing its implementation in the analyses of various familiar cases of syntactic movement, Branigan demonstrates the effects of provocation in a variety of inversion constructions, examines interactions between head and phrasal provocation within the "left periphery" of Germanic embedded clauses, and describes the details of chain formation and successive cyclic movement in a provocation model.

From reader reviews:

Gregg Spencer:

What do you concerning book? It is not important with you? Or just adding material when you want something to explain what your own problem? How about your free time? Or are you busy person? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have free time? What did you do? Everyone has many questions above. They need to answer that question simply because just their can do which. It said that about reserve. Book is familiar on every person. Yes, it is proper. Because start from on kindergarten until university need this kind of Provocative Syntax (Linguistic Inquiry Monographs) to read.

Rebecca Walton:

Information is provisions for people to get better life, information today can get by anyone at everywhere. The information can be a expertise or any news even a concern. What people must be consider when those information which is in the former life are challenging be find than now's taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you have the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take Provocative Syntax (Linguistic Inquiry Monographs) as the daily resource information.

Casey Timmons:

As we know that book is very important thing to add our know-how for everything. By a e-book we can know everything we want. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year seemed to be exactly added. This e-book Provocative Syntax (Linguistic Inquiry Monographs) was filled about science. Spend your spare time to add your knowledge about your research competence. Some people has distinct feel when they reading some sort of book. If you know how big selling point of a book, you can experience enjoy to read a guide. In the modern era like now, many ways to get book which you wanted.

Keely Charles:

Guide is one of source of know-how. We can add our understanding from it. Not only for students but in addition native or citizen have to have book to know the upgrade information of year to year. As we know those publications have many advantages. Beside most of us add our knowledge, can bring us to around the world. From the book Provocative Syntax (Linguistic Inquiry Monographs) we can acquire more advantage. Don't one to be creative people? Being creative person must choose to read a book. Only choose the best book that suited with your aim. Don't be doubt to change your life at this book Provocative Syntax (Linguistic Inquiry Monographs). You can more pleasing than now.
