Walden (Annotated Edition)

Archibald MacMechan, Henry David Thoreau

Walden (Annotated Edition) Archibald MacMechan, Henry David Thoreau

“I went to the woods because I wished to live deliberately, to front only the essential facts of life, and see if I could not learn what it had to teach, and not, when I came to die, discover that I had not lived...”

“Walden, or Life in the Woods” is a book written by Henry David Thoreau (1817-1862). First published in 1849, it has become one of the classics of the environmental movement, along with Ralph Waldo Emerson's “Nature”, and George Perkins Marsh's "Man and Nature".

The ebook also contains a biographical profile of Thoreau written by Archibald MacMechan (1862-1933) in 1918.

From reader reviews:

William Martin:

What do you ponder on book? It is just for students since they're still students or this for all people in the world, the particular best subject for that? Just simply you can be answered for that issue above. Every person has various personality and hobby for every other. Don't to be pressured someone or something that they don't wish do that. You must know how great and important the book Walden (Annotated Edition). All type of book would you see on many resources. You can look for the internet sources or other social media.

Lawrence Scuderi:

What do you in relation to book? It is not important along? Or just adding material when you require something to explain what the ones you have problem? How about your time? Or are you busy particular person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have extra time? What did you do? All people has many questions above. They have to answer that question since just their can do that will. It said that about e-book. Book is familiar in each person. Yes, it is correct. Because start from on kindergarten until university need this kind of Walden (Annotated Edition) to read.

Rudy Lapan:

Reading a book tends to be new life style in this era globalization. With studying you can get a lot of information that will give you benefit in your life. Having book everyone in this world could share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or even their experience. Not only the storyline that share in the ebooks. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors these days always try to improve their proficiency in writing, they also doing some research before they write to the book. One of them is this Walden (Annotated Edition).

Kyle Smallwood:

Typically the book Walden (Annotated Edition) has a lot details on it. So when you make sure to read this book you can get a lot of benefit. The book was authored by the very famous author. Mcdougal makes some research just before write this book. That book very easy to read you can find the point easily after looking over this book.
