Handbook of Public Policy in Europe: Britain, France and Germany

Handbook of Public Policy in Europe: Britain, France and Germany

This handbook provides an invaluable overview of the content of public policy across the full range of policy areas in Britain, France and Germany. It is designed to be used by students, experts and practitioners both to help compare public policy across different policy areas and countries and as a source of information on individual policy areas. Each chapter describes the nature of public policy in a particular area, makes detailed comparisons of selected aspects and outlines recent developments. Detailed Internet references are also provided.
