Illegal People: How Globalization Creates Migration and Criminalizes Immigrants

David Bacon

Illegal People: How Globalization Creates Migration and Criminalizes Immigrants David Bacon

For two decades David Bacon has documented the connections between labor, migration, and the global economy. In *Illegal People* he explains why our national policy produces even more displacement, migration, immigration raids, and an increasingly divided and polarized society. Arguing for a sea change in how we think, debate, and legislate about and around immigration, Bacon promotes a human rights perspective in a globalized world.
