This is the black and white interior version. Full color version also available on Amazon. "The Hunting Spirit" is a terrific follow up to Jerry Lambert's bestselling hunting book, "Trophy White Tales." This book utilizes the same short story format but in addition to riveting deer hunting tales there are also stories about Africa, bear, elk and turkey hunting. Hunting has a unique aura filled with traditions and mystique. Jerry captures the hunting spirit through both fiction (tall tales) as well as real life adventures (campfire stories). Both genres are spiced with "laugh out loud" humor as well as stories that will stir up heartwarming emotions. Jerry writes in a manner that makes you feel like you are right there, on the adventure and are the one participating in the hunt. A great fireside read that can be enjoyed by people of all ages!
