Lucky—that’s how Jennifer would describe herself. She had a successful law career, met the love of her life in Doug, married him, had an apartment in New York City, a house in the Hamptons, two beautiful children, and was still madly in love after nearly seven years of marriage. Jennifer was living the kind of idyllic life that clichés are made of.

Until Doug was killed in the attacks on the World Trade Center, and she became a widow at age thirty-five—a “9/11 widow,” no less, a member of a select group bound by sorrow, of which she wanted no part. Though completely devastated, Jennifer still considered herself blessed. Doug had loved her enough to last her a lifetime, and after his sudden death, she was done with the idea of romantic love—fully resigned to being a widowed single mother . . . until a chance encounter with a gregarious stranger changed everything. Without a clue how to handle this unexpected turn of events, Jennifer faced the question asked by anyone who has ever lost a loved one: Is it really possible to feel joy again, let alone love?

With unvarnished emotion and clear-eyed sardonic humor, Jennifer tells an ordinary woman’s extraordinary tale of unimaginable loss, resilience, friendship, love, and healing—which is also New York City’s narrative in the wake of September 11. *Where You Left Me* is an unlikely love story, a quintessentially New York story—at once Jennifer’s tribute to the city that gave her everything and proof that second chances are possible.

From reader reviews:

Willard Griffin:

What do you ponder on book? It is just for students as they are still students or this for all people in the world, what best subject for that? Only you can be answered for that problem above. Every person has several personality and hobby for every single other. Don't to be compelled someone or something that they don't want do that. You must know how great and important the book Where You Left Me. All type of book are you able to see on many solutions. You can look for the internet options or other social media.

Marcos Anderson:

Precisely why? Because this Where You Left Me is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will shock you with the secret the idea inside. Reading this book next to it was fantastic author who have write the book in such remarkable way makes the content interior easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of advantages than the other book possess such as help improving your skill and your critical thinking means. So , still want to postpone having that book? If I ended up you I will go to the book store hurriedly.

Mark Authement:

Is it a person who having spare time then spend it whole day through watching television programs or just lying on the bed? Do you need something new? This Where You Left Me can be the answer, oh how comes? A fresh book you know. You are thus out of date, spending your time by reading in this brand-new era is common not a nerd activity. So what these ebooks have than the others?

Anita Rodriguez:

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Where You Left Me can make you really feel more interested to read.
