FREE your book purchase: Activities Inservices Manual and 2015 MDS OBRA Assessment Scheduling Calendar Activities care plans and forms in the book and on the CD. In Chapter One, Data Collection, guidance is given for collecting assessment data and putting all the information together quickly and comprehensively. The data collection forms flow alphabetically with the MDS 3.0 and include care plan triggers. The resident interview questions cover areas emphasized by the Revised Activity Guidance. Information is given on Care Area Assessment CAA Summary documentation. Chapter Two, Nursing Care Plans, explains standards of Activities care plans, components of a nursing care plan, and guidelines for the nursing care plan conference. The care plan templates in Chapter Three cover every possible Activities problem. Each activity care plan has many choices for specific needs, signs and symptoms, goals, and interventions. A column is included to indicate which staff members are responsible for carrying out interventions. The Quality Assurance chapter contains forms to monitor the quality of the facility Activities program, Activities documentation, and individual resident plans of care. In the section of Source Documents, The Revised Activity Guidance is included in its entirety. Regulations and the Activities sections from the RAI User's Manual are also included. "I have been in the field of Activities/Recreation for 26 years. This is the most accurate and comprehensive book I have found for use in writing care plans, understanding the MDS and the care plan process. I will be using information in this book: for my staff to improve their writing skills, during consulting work and during the MEPAP 2nd Edition course I teach." Nancy Vandevender, CTRS/CRmTII, Recreation Skills Group, Mechanicsburg, PA
