Gar Fish & Long Gravy: Memoirs of Southern Sensibility Alexander Devereux

Live More, Laugh Much, and Love Often

Growing up poor in the small town of Vicksburg, Miss., Alexander Devereaux didn't have much. But there was no lack of remarkable personalities, each of whom left an indelible imprint on his life. *Gar Fish & Long Gravy* collects the stories, insight, tragedies, and uproarious wit of an unforgettable cast of characters. Meet Grandmama Lia', whose hard-won wisdom on life, love-and mistresses-is dispensed to in her kitchen to her beloved grandson, sometimes over Johnny Walker Black. There's Ms. Peaches, who raises chickens in her ramshackle hut yet might be one of the richest people in town. Big Daddy is an imposing hulk, but his massive frame hides a vulnerable past and humiliating secret. Ms. Annie Laurie is a fabulously wealthy white woman who never had children of her own. But her love rains down on young Alexander. And that's just for starters.

Based on real-life experiences, *Gar Fish & Long Gravy* is about the mistakes we make, the loves we share, and the stories we tell each other that make us who we are. And it is the touching story of a boy who ultimately breaks free of the poverty and abuse of his extended family, yet never forgets the important lessons he learned along the way. As Grandmama said, "If sense were common, everybody would have it."
