A common denominator among most new traders is that, within six months of launching their new pursuit, they are out of money and out of trading. *High-Probability Trading* softens the impact of this "trader's tuition," detailing a comprehensive program for weathering those perilous first months and becoming a profitable trader.

This no-nonsense book takes a uniquely blunt look at the realities of trading. Filled with real-life examples and intended for use by both short- and long-term traders, it explores each aspect of successful trading.
