??? I am a fan of YA novels. I am also a fan of vampire novels. Between my two loves, I had thought I had experienced the majority of what the genre could provide me, until I discovered independent author, Elizabeth Loraine!

??? Elizabeth Loraine has captured the young adult vampire world in a new and refreshing way and I would thoroughly recommend this series to anyone for a brief respite from the real world of today.

??? John Daniels, author and publisher writes: "This is a page-turning, swashbuckling adventure told by a gorgeous seventeen year old vampire on the verge of womanhood. Katrina and her companions are girls who love fancy clothes and romantic gossip; but when their race is threatened, they become Women Warriors, using their paranormal talents, lightning speed, and razor sharp blades to wreak deadly justice. By turns tense and funny, this is a great read for fans of bloodlust."
