Memoirs of a 90 Year Old Hippie: Romance, Celebrities, Travel, Comedy & Tragedy Lillian Darr

At 90, Lillian Darr still believes in making love, not war, justice for all, and in giving peace a chance. She's the last of a rare breed—a lifelong hippie—who embraced flower child values decades before they were popular and way after most flower children took off their love beads and moved to the 'burbs. She's as outspoken today as she was as a young woman in the 1930s. For all these years she has kept the faith and still walks the talk as a believer in the fundamental goodness of the human race. God bless this wonderfully sharp and idealistic soul, who continues to celebrate every moment of life to the max!
