The French Inspired Home Carolyn Westbrook

Carolyn Westbrook brings you her first-hand knowledge, acquired through years of combing French flea markets for unique treasures, of what makes a beautiful French interior. Designer and decorator Carolyn Westbrook's love affair with all that is French inspired began long before she ever travelled to France. Growing up in the US, her Southern heritage was infused by French influences - from the chic elegance of New Orleans to the romance of southern plantation houses. Subsequent travels to France filled her with a passion that has influenced her designs and interiors ever since and 'The French Inspired' has become her own signature style. Immerse yourself in her own beautiful plantation house, a sleek urban apartment or a classically elegant town house. Each home featured has its own distinctive style, but all are essentially 'French' in their inspiration, whether it comes from a distressed, gilded carved mirror, or a faded, frayed rug that exudes age in just the right places and could never be purchased from a department store. Carolyn Westbrook prides herself on these French-inspired interiors that are classic and timeless but never stuffy. These interiors are not about the latest trends, but meant to inspire longevity and a true romance with your own home. The French have mastered the art of this time-worn yet sophisticated style of living, and you too will fall in love with the colours, the textures and the inspiration that is truly French.
