Understanding Theology and Homosexuality in African American Communities (SpringerBriefs in Social Work) Sana Loue

Understanding Theology and Homosexuality in African-American Communities focuses specifically on helping mental professionals understand the scriptural and historical bases for the negative stance of some African American churches towards same-sex relations, and how that understanding is relevant within the context of mental health care. It provides a summary of the relevant professional literature and examples from clinical practice and/or research. This Brief is a basic reference for social workers, psychologists, counselors and other mental health professionals engaged in direct practice with African American clients and families.
