As the second most widely spoken language in the United States, there is no wonder that you want to learn Spanish! This amazing language is spoken in many different countries, and is an incredibly useful skill to have.

Unlike many other books out there, this one does not make any wild claims. This book won't make you fluent within hours, or have you 'master' the language within a week.

However, this book will provide you with the basic knowledge, pronunciation, sentence structure, and common words that will make mastering the language a lot easier!

Once you understand how the language is spoken, including the masculine and feminine words, how words change when they are plural compared to singular, and how sentences are structured, it is simply a matter of learning more and more words until your vocabulary reaches an advanced stage.

This book provides you with this necessary knowledge, along with the basic words, phrases, nouns, pronouns, verbs, and adjectives required to have simple conversations!

## **Here Is A Preview Of What You'll Learn About...**
