I myself have been through those years wondering if there is much more than the usual sex positions my wife and I had been doing for the last 10 years. Thus, when I started to do research, I realized there is much more than the fundamental positions the mainstream of people undertake in their quest to express their love.

As a result, I wanted to share this acquired knowledge to all of you. Hence, I wrote two books and this one is for beginners. In due time, you shall be needing the additional learning offered by the second book to go beyond this first 50 sex positions described in this book, "Mind-Blowing Sex Positions for Beginners: How to Enjoy Days of Magical Love Making."

In this first book of the series, you will learn:

3. What are the 46 basic sex positions and broken down into categories:
 - a. Man in Command
 - b. Woman in Command
 - c. Sitting Sex Positions
 - d. Standing Sex Positions
