Wild Child: And Other Stories

T.C. Boyle

Wild Child: And Other Stories T.C. Boyle

"[A] rollicking collection of...good, old-fashioned, funny- suspenseful-head shaking stories." -The New York Times

There may be no one better than T.C. Boyle at engaging, shocking, and ultimately gratifying readers while at the same time testing his characters' emotional and physical endurance. The fourteen new stories gathered here display both Boyle's astonishing range and his imaginative muscle. From "Wild Child," a retelling of the story of Victor, the feral boy who was captured running naked through the forests of Napoleonic France, to "La Conchita," the tale of a catastrophic mudslide that allows a cynic to reclaim his own humanity, these tales are by turns magical and moving, showcasing the mischievous humor and socially conscious sensibility that have made Boyle one of the foremost living masters of the short story.
