*Immanuel Kant, Gary Banham*

**Critique of Pure Reason, Second Edition** Immanuel Kant, Gary Banham

Kant's *Critique of Pure Reason* is one of the most rewarding, and difficult, of all philosophical works. The text followed is that of the second edition of 1787, and a translation is also given of all first edition passages which in the second edition are either altered or omitted. For this reissue of Kemp Smith's classic 1929 edition, Gary Banham has contributed a major new Bibliography of secondary sources on Kant, including stable internet resources, journal articles and books.
