Greentown: Murder and Mystery in Greenwich, America's Wealthiest Community

Timothy Dumas

Greentown: Murder and Mystery in Greenwich, America's Wealthiest Community Timothy Dumas

In examining the still-unsolved 1975 murder of 15-year-old Martha Moxley in a wealthy suburb of Greenwich, Connecticut, first-time author Timothy Dumas does not attempt to deliver a knockout punch of new evidence that might crack the case wide open. Instead, Dumas takes his readers on a literate excursion through the darkest secrets and fears of the girl's neighbors and fellow townspeople as they attempt to cope-- first with the murder itself, and then with the helplessness of almost a quarter century of frustration as the case remains unsolved. It's not that most people in town don't have any clue who performed the crime, Dumas shows, but that a moat of distance lies between the killer and those who would punish such a crime, a distance mainly built on the power, money, and political connections of the wealthy Skakel family, related by marriage to the Kennedys. Dumas weaves a spellbinding tale, cut in the mold of Truman Capote's *In Cold Blood* or, more recently, John Berendt's *Midnight in the Garden of Good and Evil*. Fans of those works will almost certainly enjoy this evocative and finely constructed story as well. --Tjames Madison
