Take a trip through time to uncover the mysterious Essene knowledge and secrets that Jesus was taught. \* Did Jesus really die on the cross? \* Who was Mary Magdalene and what was her real connection with Jesus? \* Extensive new information about the secretive Essene mystery schools. It is one of the great tragedies of Western culture that Christianity forgot and eventually denied its Essene roots. Those roots are herein explored from the perspective of past life regression. Fascinating new information emerged, including Essene links with the Druids, the existence of a secret Core Group around Jesus, and contacts with the Order of Melchizedek. Perhaps the most remarkable thing is that the Essene Jesus is restored to us, bringing to life the wise and loving Being who has been obscured by so much doctrine and dogma. His words speak to us across the centuries and open a clearer understanding of the Way, which he established, and the ultimate goal of that Way. This book makes clear that Jesus did not stand-alone. He had the backing of a powerful and dedicated team of Essenes, including Joseph of Arimathea. Thanks to the technique of past life regression, this story can now be told for the first time, opening up a fascinating window onto a unique and vital time in history.
