## Wild West Batenders' Bible

A comprehensive and well-illustrated examination of all aspects of the Wild West bar: ambiance, culture, history, decor, and, of course, the drinks -- over 500 historical recipes taken from "saloonist" guides from 1862 to 1906.

The authors note the differences between the early rough-and-tumble rot-gut whiskey bars that existed before the Civil War and the post-war growth of "lavishly decorated little palaces serving quality liquors and sophisticated mixed drinks."

The over 500 recipes are divided into categories: Fancy Drinks, Ale and Beer Drinks, Bell-Ringers, Cocktails, Collins, Coolers, Crustas, Rickeys, Toddies, Punch Bowl Drinks, Temperance Drinks and much more.

274 pp; oblong format; b&w illustrations with a couple of sections of color plates; cloth over boards with a sewn binding; Glossary; Bibliography; Index.
