"The 2010 Comic Book Checklist and Price Guide" is the number 1 tool for helping comic book buyers value and track their collection. Hollywood continues bring comic book characters to the big screen with blockbuster success ("Spider-Man", "Dark Knight", "Iron Man", and "Fantastic Four"), and that love affair is bringing even more attention to the hobby. That attention, in turn, has catapulted comic books to new levels of interest. Now, more than ever, information on collectible comic books is so very important. That's why, year in and year out, serious comic book collectors turn to "Comic Book Checklist and Price Guide" for guidance. Whether the reader is new to comics or is a seasoned collector, the book is positioned to help. An easy-to-follow checklist format allows collectors and dealers to easily identify and assess comic books. Organised alphabetically by comic book name, listings include cover dates, creator information and near mint prices for comic books from 1961 to the present. This title includes: listings and updated prices for more than 110,000 collectible comic books; comic books from 1961 through today, with complete content, allowing collectors to find whatever they're looking for; respected and experienced sources; checklist format for maintaining an inventory of comic book collection; an eight-page full-colour grading guide; valuable collector information including auction prices realised; and, new feature on hot comic books written by Captain Comics, a national syndicated columnist.
