If you or a friend of yours is at this point and needs some encouragement, *Courage Does Not Always Roar* is for you. This book was written by breast cancer survivor, Bobi Seredich. In this inspiring book she shares her story plus 27 other stories of courageous individuals. The stories range from loss of spouses, children, forgiveness and so much more. You will be amazed at the power of perseverance, acceptance and forgiveness that are shared in these uplifting stories. A short excerpt from Bobi's introduction captures the essence of what this book is all about. When we think about courage, it's usually stories of heroism that come to mind - saving someone from a fire or climbing Mount Everest. But for millions of women around the world, courage comes in a very different way. It's a quiet voice that gives them the strength to go on for another day, sometimes in the face of seemingly insurmountable odds.

This eBook shares the stories of a few of those Quiet Warriors and will hopefully inspire others to face their challenges each day, renewed with the knowledge that others have survived in similar situations.
