Ian wasn't ready to meet Grace Holtsen. In no way was he prepared for her. But can you ever be ready for fate to step in? Can you ever be ready to meet the one person who will change your entire existence? Ian knew that Grace would change everything he was used to, but something about her made it worth it. For the first time somebody seemed worth the risk. Will Ian jump and let fate wait for him at the bottom? Hoping that it can somehow save him...hoping that Grace can somehow save him. I don't think Grace is like most girls. Maybe that's the thing that I can't put my finger on. Maybe for the first time, I've met a girl that's unlike anyone that I've ever known. Grace, a single mother and owner of a Nashville recording company, met Ian Paul, a recent college grad and her new employee. The moment he entered her world, it turned upside down. She knew better than anyone that a relationship with Ian would never work. He was never supposed to fit into her life, and she was never supposed to show up in his. But what happened between them was something more than either of them ever anticipated. Grace was unprepared for how bad it would hurt when they were faced with something far more unexpected. He stole the rest of my heart tonight. I know that no matter what happens tomorrow, or days from now, I'll never want it back. I could never give it to someone else.
