Civil Procedure, Eighth Edition (Aspen Casebook) (Aspen Casebooks)

Stephen C. Yeazell

Civil Procedure, Eighth Edition (Aspen Casebook) (Aspen Casebooks) Stephen C. Yeazell

Its clear, straightforward writing style continues to make **Civil Procedure** accessible to students without oversimplifying the material it covers. An effective overview of procedure gives students a working knowledge of the system and offers techniques for statutory analysis. **Civil Procedure's** teachable structure features a clear organization, concisely edited cases--carefully chosen for first-year students--textual notes introducing and highlighting connections between sections, and practical problems. The casebook's shorter length assures that each class will completely cover the complex course material in limited hours, and a flexible organization adapts to a variety of teaching approaches.

The **Eighth Edition** introduces innovative new features that highlight important and engaging material.

"What's New Here?" boxes briefly summarize key points emerging from cases, statutes, and rules.

"Implications" boxes make brief statements about connections and extensions of doctrine, aimed at answering the perennial question students ask, "How does this connect with the rest of the course?";

"Perspectives" boxes provide short explorations of cases' historical context and related developments,

addressing the query, "What does it mean that this happened at this historical moment?" The material is updated throughout, and new material appears on Erie, pleading, discovery, arbitration, preclusion, class actions, and joinder.

This casebook comes with access to CasebookConnect at no additional cost. CasebookConnect is a powerful, all-in-one learning solution that enables you to Outline Faster, Study Smarter, and Save Time.

READ
