Fish Lips Andy Lochrie

From the Santa Cruz Sentinel

Those bright and wacky UC Santa Cruz kids continue to amaze us. And I'm not talking koi kabobs or tree hugging here. Instead, kindly turn your attention to the odd but educational oral history experiment performed by Andy Lochrie in "Fish Lips," his senior-project-turned-book. Yes, Lochrie had to turn something in to earn his degree from UCSC, but instead of producing a pile of pages that would mold for decades in a forgotten sock drawer, he came up with something rather original — a history of the misbegotten, rebellious, erotic and highly humorous alternative campus newspaper known as The Fish Rap Live! ... Available at area bookstores, don't be surprised if you spy "Fish Lips" for sale on Amazon.com, area comic stores or even at Frenchy's adult bookstore. It's that kind of book. *Chris Watson, Copyright 2003. All rights reserved.*
