**Secret Lives of Walter Mitty and of James Thurber (Wonderfully Illustrated Short Pieces)** James Thurber

The WISP series (short for Wonderfully Illustrated Short Pieces) represents an ingenious marriage of two creative forces: the artistry of today's foremost children's book illustrators and the literary legacy of beloved authors of popular short works for adults. The resulting offspring of this union are captivating, full-color illustrated editions of timeless classics that readers will want to savor and collect.

For the first time ever, the series makes selected popular short works previously offered only in collections available in a unique, stand-alone format. Also for the first time, WISPs harness the talents of top children's book illustrators for the benefit and delight of a new, older audience.

The unique appeal of WISPs is brought to life in Marc Simont's *The Secret Lives of Walter Mitty and James Thurber*, which imaginatively renders the fantastic adventures of the famed protagonist in Thurber's beloved story, first published in 1939. Also included in this edition are Simont's renderings of Thurber's tongue-in-cheek autobiographical essay "The Secret Life of James Thurber", which first appeared in *The New Yorker* in 1943 and is not widely available.

These one-of-a-kind, attractively priced and invitingly formatted illustrated editions will make a great impulse buy with broad appeal.

#### **Anita Cannon:**

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Secret Lives of Walter Mitty and of James Thurber (Wonderfully Illustrated Short Pieces) can make you experience more interested to read.
