Chris Thomason

Would you like to generate more creative and practical ideas? The Active Thinking project workbook helps you to achieve this. Active Thinking is a new approach to thinking in the work or home environment. If you usually use brainstorming to identify new ideas, then Active Thinking will help you to find more - and better - ideas. This workbook contains a completed example of how to set up and run a group Active Thinking session, including explanations of why the process is so superior to brainstorming. There are also five blank group-thinking templates and five blank individual-thinking templates. This workbook helps you to keep all your thinking projects conveniently in one place.
