Angle of Investigation: Three Harry Bosch Stories Michael Connelly

LAPD Detective Harry Bosch tackles three tough cases that span a legendary career in this never-before-collected trio of stories.

In "Christmas Even," the case of a burglar killed in mid-heist leads Bosch to retrace a link to his past. In "Father's Day," Bosch investigates a young boy's seemingly accidental death and confronts his own fears as a father. In "Angle of Investigation," Bosch delves into one of the first homicides he ever worked back as a uniformed rookie patrolman, a case that was left unsolved for decades.

Together, these gripping stories span Bosch's controversial career at the LAPD, and show the evolution of the haunted, legendary investigator he would become. Utterly unputdownable, they are proof that "Connelly never stops doling out the suspense....Once it grabs you in those first few pages, it won't let go of you" (*Boston Globe*).
