THINGS CHANGE... BIT BY BIT

The second year of high school is here, but Haru's been moved to another class all by himself! At first, the former chronic truant refuses even to enter the strange classroom, but with Shizuku's "encouragement," he slowly comes to terms with the change. Shizuku begins to feel she's really reaching Haru, especially compared to how things used to be, but then the unexpected arrival of a new student throws things out of whack, and Yamaken finally begins to move... What could possibly come next?
