The Severed Tower: A Conquered Earth Novel (The Conquered Earth Series) J. Barton Mitchell

J. Barton Mitchell's sci-fi tour de force Conquered Earth series set in an alien-invaded post-apocalyptic world returns as the children forge deeper into the most dangerous lands in search of The Severed Tower

Holt, Mira, and Max have fled Midnight City with Zoey after watching her repel an entire Assembly army. Zoey's powers are unlocked, but who and what she is remains a mystery. All she knows is that she must reach the Severed Tower, an infamous location in the middle of the world's most dangerous landscape: The Strange Lands, a place where the laws of physics have completely broken down. But the closer they get to the Tower, the more precarious things become. The Assembly has pursued Zoey into the Strange Lands. Among them is a new group, their walkers and machines strangely bereft of any color, stripped to bare metal, and whose agenda seems to differ from the rest. To make matters worse, the group hunting Holt are here, too, led by a dangerous and beautiful pirate named Ravan. So is Mira's first love, Benjamin Aubertine, whose singular ambition to reach the Tower threatens to get them all killed.

Then there's the Strange Lands themselves. They have inexplicably begun to grow, spreading outwards, becoming more powerful. Somehow, it all seems tied to Zoey herself, and the closer she gets to the Tower, the weaker she becomes.

So there are a lot of benefits that you will get when one buys this book.

James Barclay:

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Severed Tower: A Conquered Earth Novel (The Conquered Earth Series) can make you feel more interested to read.
