Malcolm X: A Graphic Biography

Malcolm X: A Graphic Biography

The age of multitasking needs better narrative history. It must be absolutely factual, immediately accessible, smart, and brilliantly fun. Enter Andrew Helfer, the award-winning graphic-novel editor behind *Road to Perdition* and *The History of Violence*, and welcome the launch of a unique line of graphic biographies.

If a picture is worth a thousand words, these graphic biographies qualify as tomes. But if you're among the millions who haven't time for another doorstop of a biography, these books are for you.

With the thoroughly researched and passionately drawn *Malcolm X*, Helfer and award-winning artist Randy DuBurke capture Malcolm Little's extraordinary transformation from a black youth beaten down by Jim Crow America into Malcolm X, the charismatic, controversial, and doomed national spokesman for the Nation of Islam.
