However Milly's nephews have other ideas and insist she writes a list of her own (with illustrations to help Father Christmas decipher her terrible handwriting). Milly duly makes a request for a bunch of roses, some chocolate and a new pair of shoes. She doesn't expect to get any of it.

However, that very day, a box of chocolates appears, swiftly followed by the roses. And when Milly wins a voucher to buy a pair of shoes, she begins to wonder if there's something in this Christmas cosmic ordering after all. She quickly amends her first letter.
