What do the music of Metallica and Bach, the film Crash, and stories about Batman have in common?

According to author and pastor John Van Sloten, God can speak through all of them if we're listening. Out of his own often startling and sometimes wrenching journey of discovery, Van Sloten shows how God can speak to us through anything and everything heavy metal music, R-rated films, sports, and even the latest fashions. This book might just change the way you hear God's voice and how you live in today's world.
