While Most Men Will Die With Deep Regrets, Others Will Resolve To Live For What Matters Most.

The Resolution for Men is the inspiring book born out of the film *Courageous*, a film which presents a powerful story of strong male leadership and an emotionally charged wake-up call to fathers whose influence upon their children and society is immeasurable. *The Resolution for Men* follows to challenge men of all ages to become as bold and intentional about embracing their responsibilities as leaders of their homes, marriages, and children.

Written by Stephen and Alex Kendrick, screenwriters of *Courageous* and authors of *New York Times* best seller *The Love Dare* (five million copies sold), *The Resolution for Men* strategically inspires men to reconcile with their past, re-engage in the present by taking full responsibility for their wives and children, and then move forward with a bold and clear resolution for the future. Written in partnership with the movie and Priscilla Shirer's book, *The Resolution for Women*, it is designed to inspire a revolution.
