An Angel to Watch Over Me: True Stories of Children's Encounters with Angels

Joan Wester Anderson

An Angel to Watch Over Me: True Stories of Children's Encounters with Angels Joan Wester Anderson
Children are known to have wild imaginations, which explains why their stuffed animals talk and invisible friends get invited to tea parties. So it's no wonder that when a child reports a personal encounter with an angel, adults tend to dismiss it with a wry smile and say, "That's nice, sweetie. Why don't you go outside and play?"

But Joan Wester Anderson says "not so fast." If Jesus himself taught that the kingdom of heaven belongs to children, there's no reason in the world not to believe that God can reveal his love to little ones through angels. In *An Angel to Watch Over Me* (originally published by Random House in 1994, with sales of 150,000 copies), Anderson shares more than 30 stories of children's experiences with celestial beings--from a boy whose angels help him conquer his fear of thunderstorms to a girl who is miraculously rescued from her burning home.

From angels who combat evil and darkness to angels who bring news of comfort and joy, each of these accounts is grounded in traditional Christian belief, eschewing any New Age interpretation of the events. For all who are open to the possibility that even children can have authentic spiritual lives--and that attaining a certain age is not a prerequisite for God to touch our lives in the form of heavenly helpers--this book is sure to stir the soul and fan the faith.
