Everything She Wants (The 310) Beth Killian

In the second book of Beth Killian's juicy 310 series, Hollywood newcomer Eva Cordes starts to unravel her family's dark secrets -- and creates some scandals of her own.

Aspiring actress Eva feels like she's finally on her way to the big time -- she's got new friends, a new life, and a starring role in a hot new commercial. And with Valentine's Day fast approaching, she's determined to finally "seal the deal" with her new boyfriend, Danny. But all her plans turn inside out when someone from her past shows up at her doorstep -- *with an engagement ring!?!*

Eva swears the only guy she wants to be with is Danny, but he's starting to have doubts. So when she finds out the shocking truth about her father's identity, she has no one to turn to -- the guys are at each other's throats and her roommates are having a major catfight of their own.

Eva is about to make some tough choices...and if she's not careful, she may make the biggest mistake of her life.
