With prodding from her father-in-law, author Kruse, takes a rare look at John Deere memorabilia.

Collections are gleaned from Kruse's father-in-law and five of his collector friends. These collections, along with items from Deere archives, are the most extensive and complete examples of John Deere memorabilia you will ever see. This is a good source to evaluate your current collection with expert information and clear color photographs, or as in the author's case, to help you start a collection.
