The presentation package for *Life Span Motor Development, Fourth Edition*, includes a comprehensive series of PowerPoint slides featuring graphics directly from the text. More than 400 slides—organized by chapter so that instructors can easily choose the ones they need for their lectures—include the critical images that instructors can use for class discussion and illustration.

The slides in the presentation package can be used directly with PowerPoint to print transparencies and slides or to make copies for distribution to students. Instructors can easily add, modify, and rearrange the order of the slides as well as search for images based on key words.

The presentation package is free to course adopters and may be accessed online at www.HumanKinetics.com/LifeSpanMotorDevelopment.

For non-course adopters, the presentation package is available for purchase on CD-ROM for Windows or Macintosh.
