CLEP® is the most popular credit-by-examination program in the country, accepted by more than 2,900 colleges and universities. For over 15 years, REA has helped students pass CLEP® exams and earn college credit while reducing their tuition costs. Our CLEP® test preps are perfect for adults returning to college (or attending for the first time), military service members, high-school graduates looking to earn college credit, or home-schooled students with knowledge that can translate into college credit.

Written by a history teacher, this Flashcard Book combines CLEP® History of the United States I and II into one handy review. The book contains a total of 500 flashcards – 250 questions and answers for U.S. History I (covering 1500-1877) and 250 questions and answers for U.S. History II (covering 1865 to the present).

Our flashcards let you write your answer to a question on the front of the card, and then compare it to the answer on the back of the card. Unlike most flashcards that come in a box, these flashcards are bound in an easy-to-use, organized book format. The index lets you quickly find a particular era in American History and test your subject knowledge.

This Premium Edition with CD includes test-readiness quizzes, timelines of all chronological periods covered on the actual CLEP® exams, and a concise American History review.

REA is the acknowledged leader in CLEP® preparation, with the most extensive library of CLEP® titles available. Our test preps for CLEP® exams help you earn college credit, save on tuition, and get a college degree.
