Critical Thinking Unleashed (Elements of Philosophy)

Elliot D. Cohen

Critical Thinking Unleashed (Elements of Philosophy) Elliot D. Cohen

Demonstrating the practical relevance and import of many historically significant philosophers (e.g. Socrates, Aristotle, Epictetus, Hume, Kant, Mill, Sartre, and Nietzsche), Critical Thinking Unleashed presents a practical, non-technical, and comprehensive approach to critical thinking. In contrast to other treatments of practical reasoning, Elliot D. Cohen not only teaches students how to identify and refute irrational premises—he also teaches them how to construct rational antidotes to combat the personal, social, and political obstacles they confront in everyday life.
