Letter from an Unknown Woman and Other Stories

Stefan Zweig

Letter from an Unknown Woman and Other Stories Stefan Zweig

These four Stefan Zweig stories newly translated by the award-winning Anthea Bell, are among his most celebrated and compelling work. The titular tale is a devastating depiction of unrequited love, which inspired a classic Hollywood film, directed by Max Ophüls and starring Joane Fontaine.

Elsewhere in the collection, a young man mistakes the girl he loves for her sister, two erstwhile lovers meet after an age spent apart, and a married woman repays a debt of gratitude to her childhood sweetheart.

Expertly paced, laced with the acutely accurate psychological detail and empathy that are Zweig's trademarks, this is a powerful addition to Pushkin's growing collection of his work.
