The 10 Stupidest Mistakes Men Make When Facing Divorce: And How to Avoid Them Joseph Cordell
The Knowledge Every Man Needs for a Successful Divorce

Each year 500,000 men will face divorce, and most of them make at least one crucial—and often irreversible—mistake. These errors might seem minor, such as moving out while things get sorted out, or thinking of “temporary” orders as being truly temporary. But when they get to court, these men discover they have put themselves in a terrible position. They may have to give up their house, pay impossibly high alimony, or even lose custody.

You could be one of these men.

But you don't have to be.

Joseph Cordell, the founder of the nation's largest law firm focusing on men's divorce and the creator of DadsDivorce.com, has seen the consequences of the mistakes men make. Drawing upon the huge number of cases that Cordell & Cordell has handled, this book identifies the 10 most common mistakes that end up hurting men in divorce. Cordell demystifies the divorce process, explains what judges consider in making their final decisions, and lays out a road map for positive actions men can take to achieve the best possible outcome.

No man should face divorce without this book.
