The Penn State Report: Complete Investigative Findings Related to Child Sexual Abuse Committed by Gerald A. Sandusky Mr Louis Freeh

In July, 2012, A court in Bellefonte, Pennsylvania found Penn State University assistant football coach Jerry A. Sandusky guilty on 45 counts of sexual abuse. But the full measure of the horrible acts committed by Sandusky and the failure of the university to protect these children is no better documented than in this special investigative report produced by Louis Freeh, of Freeh Sporkin & Sullivan, LLP. Here is the complete document of 10 chapters including exhibits, and amplified by statements by Pennsylvania Governor Tom Corbett and Pennsylvania Attorney General Linda Kelly. Says Corbett: “We have to continue to focus on child sexual abuse—to shine a bright light in those dark places where the Jerry Sanduskys of the world lurk—places that most definitely exist in our society. We need to continue to protect our children and to learn from the lessons of this case.”
