Verse by Verse Old Testament 2-in-1 eBook Bundle Andrew C. Skinner, D. Kelly Ogen

The Old Testament is as long as all the other standard works combined. Rather than discuss every verse and person in this standard work, the authors have concentrated on two objectives: first, providing an accurate, engaging, and inspiring commentary; and second, helping the reader see the coming of Jesus Christ in the verses of the Old Testament.

In this digital eBook bundle, the two volumes of verse-by-verse commentary have been brought together for more convenient study. This complete two-in-one eBook set offers a reader-friendly exploration of the Old Testament.
