## **Feather Crowns** Bobbie Ann Mason

Set in the apocalyptic atmosphere of 1900--a time when many Americans were looking for signs foretelling the end of the world--*Feather Crowns* is the story of a young woman who unintentionally creates a national sensation. A farm wife living near the small town of Hopewell, Kentucky, Christianna Wheeler gives birth to the first recorded set of quintuplets in North America.

Christie is suddenly thrown into a swirling storm of public attention. Thousands of strangers descend on her home, all wanting too see and touch the "miracle babies." One visitor crawls right in through the window! The fate of the babies and the bizarre events that follow their births propel Christie and her husband far from home, on a journey that exposes them to the turbulent pageant of life at the beginning of the modern era.

Richly detailed and poignant, *Feather Crowns* focuses on one woman but opens out ultimately into the chronicle of a time and a people. Written in Bobbie Ann Mason's taut yet lyrical prose, the novel ranges from a peaceful farming community to a fire-and-brimstone revival camp, from seamy traveling shows to the hushed precincts of the nation's capital. Moving through the center of it all is Christie, a charming, headstrong, loving woman who struggles heroically to come to terms with the extraordinary events of her long life.

*Feather Crowns* is an American parable of profound resonance. Spellbindingly readable, it is a novel of classic stature destined to confirm Bobbie Ann Mason as one of America's most important writers.

#### **William Gilbert:**

Is it an individual who having spare time then spend it whole day through watching television programs or just lying on the bed? Do you need something totally new? This Feather Crowns can be the respond to, oh how comes? The new book you know. You are thus out of date, spending your free time by reading in this brand-new era is common not a nerd activity. So what these textbooks have than the others?

#### **Paul Birch:**

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the instructor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Feather Crowns can make you truly feel more interested to read.
