None Dare Call It Treason Book 2: Never Ending Subversion In Government! Robert W. Pelton

"Under the Nazi regime a man worked making baby carriages. "The Nazi government would not let anybody buy a baby carriage," explained Senator William Jenner back in 1954. "The man decided he would secretly collect one part from each department and assemble the carriage himself. "When the time came he and his wife gathered up the pieces and assembled them. "When they finished they did not have a baby carriage. "They had a machine gun. "Someone, somewhere, conceived the brilliant strategy of revolution by assembly line. "The pattern for total revolution was divided into separate parts, each of them as innocent, safe and familiar looking as possible. "But when the parts of a design are carefully cut to exact size, to fit perfect in final assembly," concluded the Senator. "The men who make the blueprints know exactly what the final product is to be. "This assembly line revolution is like a time-bomb. "The switch is not to be pulled until the American people are convinced that resistance is hopeless." Communist Occupied Russia's espionage agents have successfully penetrated various departments of the government (Glasser, Peress, Kramer, Witt, Duggan, Abt, etc.). Such Kremlin moles are major participants in the Russian goal of world domination! But they're not the only conspirators working toward this same objective! Not all traitors or those guilty of treason are Communists! Or at least they've never been exposed as Communists! Radical leftists in important leadership positions are quite often found to be members of the subversive Council on Foreign Relations. They're not ordinarily identifiable as Communist espionage agents although quite a number have turned out to be such as Alger Hiss, Henry Kissinger, Edwin M. Martin, Lauchlin Currie and Harry Dexter White! Far left CFR members are often as dangerous if not more so than Communist moles! They openly participate in running the government under an undeserved cloak of respectability (Zbigniew Brzezinski, Adam Yarmolinsky, George Shultz, Alexander Haig, Walter Mondale, Andrew Young, Robert McNamara, Sol Linowitz, Allen Dulles, etc.). It matters not whether those CFR traitors are Communist by name or socialist or whatever! Their methods of achieving the desired end result may vary (i.e. Communist -- violent overthrow; socialist -- gradual change). Whatever banner these masters of duplicity hide behind their goals are identical! They openly declare their intention to replace America's Constitutional Republic with a socialist dictatorship! Remember that a socialist is no more than communist without a gun! They openly write of merging the United States into a world federation of socialist (Communist) police states! This tyranny, according to their plan is to be brutally dominated by the United Nations, an organization unquestionably created by Communists for Communist purposes! Richard Nixon's (CFR) political star was on the ascendancy in 1952. He purportedly opposed both Communism and socialism! He said: "There's one difference between the Reds and the Pinks. 'The Pinks want to socialize America. 'The Reds want to socialize the world and make Moscow the world capital. 'Their paths are similar; they have the same Bible -- the teachings of Karl Marx."
