On the outside, Kristy Dominiak appeared to have a seemingly perfect life—a devoted husband, three healthy children, financial stability, recognition in the community, and a beautiful, lakeside home with the proverbial white picket fence. But inside, she was falling apart. Inside, she was waging war against personal demons that were looking to take everything she held precious away from her. When a decision of poor judgment shook her from her moral pedestal, Kristy began to question her entire existence and spiraled uncontrollably into the darkest parts of her psyche. "The Shaken Snow Globe" documents Kristy's courageous journey to rediscover her life's purpose, recognize her true identity, salvage her soul, and, ultimately, answer the question, "Who am I?"
